boating

Spending the summer on Martha's Vineyard is always wonderful, but this year, with the opening of the Boathouse, it was one of the most amazing summers ever. We really enjoyed the boats and spent many hours with "Captain Ted" and his crew cruising the waters around the Vineyard. We loved the advantage of having access to the boats without any of the headaches – what more could you ask for!!

“My wife and I went out on the fishing trip with Allen the other day. I have fished all over the world and never had so much fun and so much “fishing luck”. We caught 50 fish in three hours in a non stop fishing frenzy! The Striped Bass and Bluefish trip was, simply, first class. Again, thanks for the trip and please tell everyone that Allen is “one class act”. I would recommend this outing to any of the members.
